International Terms and Conditions

1. Ex-Works, Valparaiso, Indiana, USA
2. Prices are U.S. dollars and are valid for thirty (30) days from the date of quote, subject to confirmation thereafter.
3. Normal lead time to shipment is 45 days after receipt of firm order and drawing approvals. Normal delivery is based upon our suppliers' standard lead-times. If requested, earlier delivery can be negotiated.
4. For Membrane Electrode Cells, a limited warranty covering materials and workmanship only for one year from shipment will be provided. No other warranty or guarantee is expressed or implied. Electrodes are not warranted since they are sacrificial by nature.
5. For UF Systems, a limited warranty covering materials and workmanship only for one year from shipment will be provided on the UF Rack. The limited warranty for the UF Elements will be passed along from the manufacturer, in most cases, the limited warranty on the UF elements is a pro rated type.
6. Payment terms are cash in advance or letter of credit. Subject to credit approval, progress payments and/or extended payment terms can be negotiated.
7. The purchaser is responsible for reporting and payment of federal and local taxes; and insurance, duties and customs applicable to the items purchased.
8. UFSc will provide up to 5 complete sets of Operating and Maintenance Instruction Manuals in English with each order, as requested. Additional manuals are available for \$5.00 each.
9. Field supervision support for such items as Installation, Commissioning and Start-up is available from our Representative's personnel. The charge for this service is negotiated directly with the Representative. Travel, lodging, and meal expense will be charged as occurred.
10. A 20% restocking charge will be incurred on any orders canceled after production has been started.
